Re: *KBR, Inc. v. The United Mexican States* (ICSID Case No. UNCT/14/1)

Dear Ms. Kinnear:

Thank you for your correspondence of December 16, 2015 attaching Mr. Vejar's letter of December 9, 2015. We have provided a copy of each to our client.

Further to my email message of yesterday, paragraph 17.1 of the Procedural Order No. 1 of April 1, 2014 provides that "[t]he decision on the preliminary issue [of jurisdiction] may be made public only with the consent of both parties." Please note that KBR does not consent to the publication of the Tribunal's Final Award.

Respectfully submitted,

Guillermo Aguilar Alvarez
