June 21, 2019

The Tribunal has reviewed with care the Parties' respective Redfern Schedules received from ICSID on June 12, 2019.

Having studied them and conferred, the Tribunal hereby issues Procedural Order no. 2, resolving the production disagreements between the Parties. The Redfern Schedules, as completed by the Tribunal, are attached as Annexes A and B and form an integral part of this order.

The Tribunal wishes to underscore what may be obvious, namely that to the extent that requests considered by the Tribunal to be insufficiently pertinent to questions of jurisdiction and admissibility in this case, those requests may be reintroduced at the merits phase of this proceeding in the event the case proceeds to the merits phase.

On behalf of the Tribunal,

[Signed]

George A Bermann
President of the Tribunal
