     THE CHAIRMAN: Thank you, Mr Greig. I would like to bring to
20
         the attention of the parties that I have asked one of my
21
         colleagues in my office in Montreal to assist me in the
         conduct of this case. Because, like all of us, I travel
22
         a lot, if at any time I am unreachable, you could always
23
         contact him. (...)

         may come to pass that you wish to find out something with
 3
         respect to the tribunal that Brooks Daly might not be
 4
 5
         aware of. Martin at my office in Montreal could be
 6
