Introduction

By a communication of May 3, 2017, the parties agreed to dispense of the first session in this proceeding adopting the Procedural Order No. 1 of the *Lao Holdings N.V. v. Lao People's Democratic Republic* (ICSID Case No. ARB(AF)/16/2) case (“*Laos I*”).

At the request of the Tribunal, on May 3, 2017, the Respondent confirmed that it will not be seeking bifurcation with respect to any jurisdictional objections in this case, agreeing to adopt Revised Annex A to Procedural Order No. 1 of the *Laos II* case.

In light of the above, the Tribunal now issues the present Order:

Order

10. Apportionment of Costs and Advance Payments to ICSID

Administrative and Financial Regulation 14; Articles 28(1)(f) and 58 of the ICSID Arbitration (Additional Facility) Rules

10.1. By letter of May 8, 2017, ICSID requested that each party pay US\$200,000 to cover the initial costs of the proceeding. As stated in the letter, this was consistent with the general expectation in ICSID arbitration that unless otherwise agreed by the parties or decided by the Tribunal, the parties shall cover the direct costs of the proceeding in equal parts, without prejudice to the Tribunal's final decision as to the allocation of costs.

10.2. During the First Session in the *Laos II* case, the Respondent stated its intention not to make any advances towards the costs of these arbitrations.

10.3. ICSID shall request further advances as needed. Such requests shall be accompanied by a detailed interim statement of account.

11. Place of Arbitration

Administrative and Financial Regulation 26; Articles 19 and 20 of the ICSID Arbitration (Additional Facility) Rules

11.1. By agreement of the parties at the First Session of the *Laos II* case and confirmed thereafter by correspondence, New York shall be the place (legal seat) of the proceeding.

11.2. The Parties have agreed, however, that no hearings will be held in the United States. Hearings involving fact witness participation will be held in Singapore; hearings involving no fact witness participation may be held in Europe as an alternative to Singapore, taking into account the relevant circumstances, including issues of efficiency and cost.

11.3. The Tribunal may hold hearings at any other place that it considers appropriate if the parties hereafter so agree.

11.4. The Tribunal may deliberate at any place it considers convenient.

12. Procedural Language(s), Translation and Interpretation

Administrative and Financial Regulation 30(3) and (4); Article 30 of the ICSID Arbitration (Additional Facility) Rules

12.1. English is the procedural language of the arbitration.

12.2. Documents filed in any other language must be accompanied by a translation into English.

12.3. If the document is lengthy and relevant only in part, it is sufficient to translate only relevant parts, provided that the Tribunal may require a fuller or a complete translation at the request of any party or on its own initiative.

12.4. Translations need not be certified unless there is a dispute as to the content of a translation provided and the party disputing the translation specifically requests a certified version.

12.5. Documents exchanged between the parties in a language other than English under §16 below (Production of Documents) need not be translated.

12.6. The testimony of a witness called for examination during the hearing who prefers to give evidence other than in the English language shall be interpreted simultaneously.

- 12.7. The parties will notify the Tribunal, as soon as possible, and no later than at the pre-hearing organizational meeting (see §20 below), which witnesses or experts require interpretation.
- 12.8. The costs of the interpreter(s) will be paid from the advance payments made by the parties, without prejudice to the decision of the Tribunal as to which party shall ultimately bear those costs.
- 12.9. The Tribunal shall render the Award only in English.
13. Routing of Communications
Administrative and Financial Regulation 24
- 13.1. Written communications in the case shall be transmitted by email or other electronic means to the parties, the Tribunal Secretary, and the Tribunal.

 - 14.7. Pleadings shall be accompanied by an index hyperlinked to the supporting documentation.
 - 14.8. The official date of receipt of a pleading or communication shall be the day on which the electronic version is sent to the Tribunal Secretary.
 - 14.9. A filing shall be deemed timely if sent by a party by midnight, Washington, D.C. time, on the relevant date.
15. Number and Sequence of Pleadings
Articles 33 and 38 of the ICSID Arbitration (Additional Facility) Rules
- 15.1. The parties shall submit their written submissions (also referred to in this Order as “pleadings”) in accordance with the Procedural Calendar set out in **Annex A** and with the rules set out below.
16. Production of Documents
Article 41 of the ICSID Arbitration (Additional Facility) Rules
- 16.1. Concerning the production of documents, the Tribunal may be guided by the International Bar Association Rules on the Taking of Evidence in International Arbitration (2010) (“IBA Rules”).
 - 16.2. By the date set forth in Annex A, each party may serve a request for production of documents that it assumes to be in the other party’s possession, custody or control, in the form of a Stern Schedule (see Annex B), in both Word and PDF formats. Such a request shall precisely identify each document, or narrow and specific category of documents, sought, specifying why the documents sought are relevant to the case and material to its outcome. The parties’ requests shall not be copied to the Tribunal or the Tribunal Secretary.
 - 16.3. With respect to each request for documents, by the date set forth in Annex A, each party shall respond, either by indicating that it will produce the requested documents by the date set forth in Annex A or by setting forth its objections to the request in the Stern Schedule provided by the requesting party. The parties’ responses shall not be copied to the Tribunal or the Tribunal Secretary.
 - 16.4. By the date set forth in Annex A, the requesting party shall reply to the other party’s

objections in the same Stern Schedule and file the Stern Schedule (in both Word and PDF formats) with the Tribunal, copying the other party.

- 16.5. The Tribunal shall endeavor to issue its decision on contested requests on or around the date set forth in Annex A, having regard to the legitimate interests of the parties and all relevant circumstances.
 - 16.6. A party shall produce those documents for which no objection is sustained by the Tribunal by the date set out in Annex A.
 - 16.7. The disclosure of documents under this Part shall be made electronically, utilizing a secure FTP site, in PDF format, or any other format upon which the parties may subsequently agree.
 - 16.8. Correspondence or documents exchanged in the course of this document disclosure process shall not be copied to the Tribunal, except as set out in this Procedural Order. Documents so produced shall not be deemed on record unless and until the requesting party subsequently files them as exhibits.
 - 16.9. In the event of a party's refusal or failure to produce any document, the Tribunal may consider whether an adverse inference should be drawn in respect of the facts to which the withheld or missing evidence relates.
 - 16.10. After the dates set forth in Annex A, additional requests for the production of documents may be sought by either party only with leave from the Tribunal. The request must be substantiated with reasons, to which the opposing party shall enjoy a right of reply.
17. Submission of Documents
Administrative and Financial Regulation 30; Article 32 of the ICSID Arbitration (Additional Facility) Rules
- 17.1. The Memorial and Counter-Memorial shall be accompanied by the documentary evidence relied upon by the parties, including exhibits and legal authorities. Further documentary evidence relied upon by the parties in rebuttal shall be submitted with the Reply and Rejoinder.
 - 17.2. Neither party shall be permitted to submit additional or responsive pleadings or documentary evidence after the filing of its respective last written submission in accordance with Annex A, unless the Tribunal first determines that exceptional circumstances exist based on a reasoned written request followed by observations from the other party.
 - 17.2.1. Should a party request leave to file an additional or responsive pleading or documentary evidence, that party may not annex the materials that it seeks to file to its request.

- 17.2.2. If the Tribunal grants such an application, the Tribunal shall ensure that the other party is afforded sufficient opportunity to make its observations concerning such materials.
- 17.3. The Tribunal may call upon the parties to produce documents or other evidence in accordance with Article 41(2) of the ICSID Arbitration (Additional Facility) Rules.
- 17.4. The documents shall be submitted in the following form:
- 17.4.1. Exhibits shall be numbered consecutively throughout these proceedings.
- 17.4.2. The number of each Exhibit containing a document produced by Claimant shall be preceded by the letter "C-" for factual exhibits and "CL-" for legal exhibits containing authorities etc. The number for each Exhibit containing a document produced by Respondent shall be preceded by the letter "R-" for factual exhibits and "RL-" for legal exhibits containing authorities etc.
- 17.4.3. Each Exhibit shall have a divider with the Exhibit identification number on the tab.
- 17.4.4. A party may produce several documents relating to the same subject matter within one Exhibit, numbering each page of such Exhibit separately and consecutively.
- 17.4.5. Exhibits shall also be submitted in PDF format and start with the number "C-0001" and "R-0001," respectively.
- 17.4.6. Copies of documentary evidence shall be assumed to be authentic unless specifically objected to by a party, in which case the Tribunal will determine whether authentication is necessary.
- 17.5. The parties shall file all documents only once by attaching them to their pleadings. Documents so filed need not be resubmitted with witness statements even if referred to in such statements.
- 17.6. Demonstrative exhibits (such as PowerPoint slides, charts, tabulations, etc.) may be used at any hearing, provided always that such slides or materials reflect evidence on the record (with citations to such evidence) and do not constitute or introduce any new evidence, whether directly or indirectly. Each party shall number its demonstrative exhibits consecutively, and indicate on each demonstrative exhibit the number of the document(s) from which it is derived. The party submitting such exhibits shall provide them in hard copy to the other party, the Tribunal Members, the Tribunal Secretary, the court reporter(s) and interpreter(s) at the hearing at a time to be decided at the pre-hearing organizational meeting.

18. Witness Statements and Expert Reports

Article 32 of the ICSID Arbitration (Additional Facility) Rules

18.1. Witness statements and expert reports shall be filed together with the parties' pleadings.

18.2. Neither party shall be permitted to submit any testimony that has not been filed with the pleadings, unless the Tribunal first determines that exceptional circumstances exist based on a reasoned written request followed by observations from the other party.

18.2.1. Should a party request leave to file additional or responsive testimony, that party may not annex the testimony that it seeks to file to its request.

18.2.2. If the Tribunal grants such an application, the Tribunal shall ensure that the other party is afforded sufficient opportunity to make its observations concerning such materials.

18.3. Each witness statement and expert report shall be signed and dated by the witness.

19. Examination of Witnesses and Experts

Article 42 and 43 of the ICSID Arbitration (Additional Facility) Rules

19.1. By the date set forth in Annex A, each party shall identify the factual and expert witnesses of the opposing party (having filed written statements and expert reports) whom it intends to cross-examine. Shortly after the parties' notifications, the Tribunal shall indicate whether there are any witnesses and experts not called by the parties that it wishes to question.

19.2. Parties may not call their own witnesses or experts for direct testimony if neither the opposing party nor the Tribunal has indicated an interest in examining such witness or expert. To the extent a party considers that there have been new developments since the date of the witness statement or report about which its witnesses or experts may have material evidence or opinion and that constitute exceptional circumstances for allowing additional testimony, the appropriate mechanism is not to seek to call for such witnesses or experts for direct testimony at the hearing, but rather for that party to seek leave as soon as possible after the new development to submit a supplemental written statement limited to the new developments, pursuant to paragraph 18.2.

19.3. Examination by video-conference may be permitted at the discretion of the Tribunal, if the requesting party provides justified reasons.

19.4. If a witness who has been called by a party for cross-examination fails to appear without good cause, the witness statements or reports filed on behalf of such

witness shall be disregarded and adverse inferences may be drawn by the Arbitral Tribunal.

- 19.5. Those witnesses and expert witnesses who are not called for examination by the opposing party will not be subject to an adverse inference determination. The party which submitted the witness statement or expert report may rely on the statement or report in its argument and the opposing party similarly may rely upon or challenge the statement or report in its argument.
- 19.6. Witnesses shall be examined by each party under the control of the Tribunal. At the hearing, the examination of each witness shall proceed as follows:
 - 19.6.1. The written witness statement or report of each witness called for cross-examination shall stand in lieu of the examination by the party producing the witness (“direct examination”). However, the party who presents the witness may briefly examine the witness for purposes of asking introductory questions and to enable the witness to confirm and/or correct that witness’s written statement.
 - 19.6.2. The adverse party may then cross-examine the witness on matters addressed in the statement of the witness and matters going to the credibility of the witness, with the latter limited to matters that are relevant and of which the witness has direct knowledge.
 - 19.6.3. The party who has presented the witness may then conduct a redirect examination of the witness with respect to any matters arising out of the cross-examination.
 - 19.6.4. The Tribunal may examine the witness at any time, either before, during or after examination by one of the parties. Counsel for either party may re-examine the witness with respect to any matters or issues arising out of the Arbitral Tribunal’s questions.
- 19.7. Unless the parties and the Tribunal agree otherwise, fact witnesses shall not be permitted to be present during the examination of other witnesses, or to otherwise hear or view such proceedings, until after they have been cross-examined on their own testimony. Expert witnesses shall be allowed in the hearing room at any time.
- 19.8. Notwithstanding paragraph 19.7, Claimant’s and Respondent’s designated representatives shall be permitted to attend the hearing or to otherwise hear or view such proceedings at all times. In the event any such representatives are also fact witnesses, the Tribunal may consider, in consultation with the parties in advance of the hearing, whether to schedule their examination for the beginning of the hearing, prior to the examination of other witnesses.

19.9. The Parties and the Tribunal will consider at the pre-hearing organizational meeting whether any expert witnesses should be examined by the Tribunal in conference by topic, following their examination individually by the Parties.

20. Pre-Hearing Organizational Meetings

Article 29 of the ICSID Arbitration (Additional Facility) Rules

20.1. On the date set forth in Annex A, a pre-hearing organizational meeting shall be held by telephone between the Tribunal, or its President, and the parties in order to resolve any outstanding procedural, administrative, and logistical matters in preparation for the hearing. The Tribunal will circulate an agenda in advance of the organizational meeting, to facilitate discussions between the parties regarding the matters to be discussed.

21. Hearings

Article 21(2) of the ICSID Arbitration (Additional Facility) Rules

21.1. The oral procedure for either jurisdiction alone (in the event of bifurcation) or jurisdiction and merits combined (in the event of no bifurcation) shall consist of a hearing for examination of witnesses and experts, if any, and for oral arguments.

21.2. The hearing shall be held at a place to be determined in accordance with paragraph 11 above.

21.3. The hearing shall take place on the dates set forth in Annex A.

21.4. The allocation of time during the hearing, as well as specific protocols for implementing that allocation, will be addressed during the pre-hearing organizational meeting addressed in paragraph 20 above.

21.5. The Members of the Tribunal shall endeavor to reserve at least one day after the hearing to determine the next steps and to hold deliberations.

21.6. The Respondent requested that hearings be open to the public, but the Claimant did not consent. In light of the Claimant's objections and pursuant to Article 39(2) of the ICSID Arbitration (Additional Facility) Rules, the hearings shall be held *in camera*. This confidentiality also extends to any transcripts prepared of the hearings. (Other than with respect to the hearings, the ICSID Arbitration (Additional Facility) Rules do not address the issue of confidentiality of proceedings, and no party to date has sought entry of any protective order providing for such confidentiality.)

22. Records of Hearings and Sessions

Article 28(1)(g) of the ICSID Arbitration (Additional Facility) Rules

- 22.1. Sound recordings shall be made of all hearings and sessions. The sound recordings shall be provided to the parties and the Tribunal Members.
- 22.2. Verbatim transcript(s) in the procedural language shall be made of any hearing and session other than sessions on procedural issues. Unless otherwise agreed by the parties or ordered by the Tribunal, the verbatim transcripts shall be available in real-time using LiveNote or similar software and electronic transcripts shall be provided to the parties and the Tribunal on a same-day basis.
- 22.3. The parties shall agree on any corrections to the transcripts within 20 days of the later of the dates of the receipt of the sound recordings and transcripts. The agreed corrections may be entered by the court reporter in the transcripts (“revised transcripts”). The Tribunal shall decide upon any disagreement between the parties and any correction adopted by the Tribunal shall be entered by the court reporter in the revised transcripts.

23. Post-Hearing Memorials and Statements of Costs

Article 58(1) of the ICSID Arbitration (Additional Facility) Rules

- 23.1. At the close of the hearing the Tribunal shall inform the Parties whether it would consider it useful to receive Post-Hearing submissions on any issues, in which event it will indicate expressly which issues shall be addressed by the parties therein and establish a schedule for the simultaneous exchange of any such submissions.
- 23.2. Statements of costs shall be due 30 days after the latter of the conclusion of a hearing (on jurisdiction or the merits) or the date established for the submission of Post-Hearing Memorials, if any.
- 23.3. Notwithstanding the Respondent’s position in general regarding the costs of the arbitration, as reflected in paragraph 10.2 above, the parties agree that the cost of any transcripts and recordings shall be borne by the parties in equal part. ICSID will arrange for the service and pay for the service at the end of the hearing or session. ICSID would then issue a detailed invoice to the Respondent requesting one half of the final invoice to be paid to the Centre within a certain period of time. The financial statement will reflect the total cost of the hearing with the cost allocation as per agreement. Since the invoice issued to the Respondent is tailored to the total cost there will be no refund due to the Respondent should there be any funds left at the end of the proceeding.

24. Publication

Administrative and Financial Regulation 22, Article 53(3) of the ICSID Arbitration (Additional Facility) Rules

24.1. The parties consent to ICSID publication of the award and any order or decision issued in the present proceeding.

25. Other Proceedings

25.1. The parties have agreed that this case will be consolidated with the *Laos II* case. Per this agreement, the Tribunal will run the proceedings in tandem (if not formally consolidated), for reasons of efficiency and cost. Accordingly, any subsequent submissions and rulings in the two cases shall be presented in a single document bearing both case headers.
