Case No. 67
Chamber Three

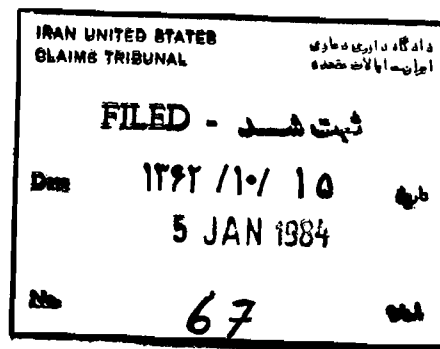

WOODWARD-CLYDE CONSULTANTS,
Claimant,

-and-

THE GOVERNMENT OF THE ISLAMIC
REPUBLIC OF IRAN and THE ATOMIC
ENERGY ORGANIZATION OF IRAN,

Respondents.

DECISION

On 2 September 1983, the Tribunal rendered its Award in the above-captioned case (Award No.73-67-3). The Award was served on the Agent of the Islamic Republic of Iran on 7 September.

On 7 October 1983, Respondent The Atomic Energy Organization of Iran ("AEOI") filed a request that an additional Award be rendered (Article 37 of the Tribunal Rules) and that the 2 September 1983 Award be corrected in certain respects (Article 36 of the Tribunal Rules).

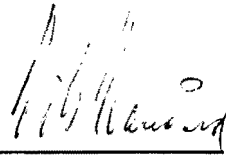

On 11 November 1983, Claimant filed a Reply to AEOI's Request.

A request for an additional award or correction of an award must be made within 30 days after the receipt of the award. As Award No. 73-67-3 was served on the Agent of Iran on 7 September 1983, AEOI's request of 7 October 1983 was timely filed.

The Tribunal has determined that no portion of the claim or counterclaim has been omitted from the above Award so as to warrant an additional award as requested by AEOI. Furthermore, AEOI does not point to any errors in the Award which call for correction.

Therefore, the Tribunal has determined that AEOI's request cannot be granted.
