**RUSSIAN FEDERATION – ADDITIONAL DUTIES ON CERTAIN PRODUCTS
FROM THE UNITED STATES**

COMMUNICATION FROM THE PANEL

The following communication, dated 16 December 2021, addressed to the Chairperson of the Dispute Settlement Body (DSB), is circulated in accordance with Article 12.9 of the Dispute Settlement Understanding (DSU).

Article 12.8 of the Understanding on Rules and Procedures Governing the Settlement of Disputes (DSU) provides that the period in which a panel shall conduct its examination, from the date that the composition and terms of reference of the panel have been agreed upon until the date the final report is issued to the parties to the dispute, shall, as a general rule, not exceed six months.

Article 12.9 of the DSU provides that, when a panel considers that it cannot issue its report within six months, it shall inform the Dispute Settlement Body (DSB) in writing accordingly and indicate the reasons, together with an estimate of the period within which it will issue its report.

The Panel on *Russian Federation – Additional Duties on Certain Products from the United States* (DS566) was established by the DSB on 18 December 2018 and composed on 25 January 2019.

On 15 December 2020, the Panel informed the DSB that it expected to issue its report by the second half of 2020. Travel restrictions and measures limiting the number of persons allowed to attend in-person meetings do not allow the Panel to host substantive meetings in person. The Panel, in consultation with the parties, has decided to wait until in-person substantive meetings will be possible again in order to complete its work. This is causing delays to the proceedings. In the light of this, the Panel expects to issue its final report to the parties not earlier than the second half of 2022.

The report will only be available to the public once it is circulated to the Members in all three working languages of the WTO. The date of circulation depends on completion of translation and the Panel is not in a position to provide an estimated circulation date at this time.

I would be grateful if you would circulate this letter to the DSB.
