**INDIA – TARIFF TREATMENT ON CERTAIN GOODS IN THE INFORMATION AND
COMMUNICATIONS TECHNOLOGY SECTOR**

COMMUNICATION FROM THE PANEL

The following communication, dated 29 June 2022, addressed to the Chairperson of the Dispute Settlement Body (DSB), is circulated in accordance with Article 12.9 of the Dispute Settlement Understanding (DSU).

Article 12.8 of the Understanding on Rules and Procedures Governing the Settlement of Disputes (DSU) provides that the period in which a panel shall conduct its examination, from the date that the composition and terms of reference of the panel have been agreed upon until the date the final report is issued to the parties to the dispute, shall, as a general rule, not exceed six months.

Article 12.9 of the DSU provides that, when a panel considers that it cannot issue its report within six months, it shall inform the Dispute Settlement Body (DSB) in writing accordingly and indicate the reasons, together with an estimate of the period within which it will issue its report.

The Panel on *India – Tariffs on ICT Goods* (DS582) was established by the DSB on 29 June 2020 and composed on 31 August 2020.

In its communication to the DSB of 4 March 2021 (WT/DS582/11), the Panel indicated that it expected to issue its final report to the parties in the second quarter of 2022. However, the COVID-19 pandemic and related travel and other restrictions caused delays to the proceedings.

In accordance with the revised Timetable adopted thus far following consultations with the parties, the Panel estimates that it will issue its final report to the parties not before the end of 2022.

The report will only be available to the public once it is circulated to the Members in all three working languages of the WTO. The date of circulation depends on completion of translation and the Panel is not in a position to provide an estimated circulation date at this time.

I would be grateful if you would circulate this letter to the DSB.
