CHINA – ANTI-DUMPING MEASURES ON STAINLESS STEEL PRODUCTS FROM JAPAN

STATUS REPORT REGARDING IMPLEMENTATION OF THE DSB RECOMMENDATIONS AND RULINGS BY CHINA

The following communication, dated 13 May 2024, from the delegation of China to the Chairperson of the Dispute Settlement Body, is circulated pursuant to Article 21.6 of the DSU.

China submits this report in accordance with Article 21.6 of the Understanding on Rules and Procedures Governing the Settlement of Disputes.

At its meeting on 28 July 2023, the Dispute Settlement Body ("DSB") adopted the panel report in the dispute *China – Anti-Dumping Measures on Stainless Steel Products from Japan* (WT/DS601). On 25 August 2023, China informed the DSB of its intention to implement the recommendations and rulings of the DSB in connection with this matter.

On 27 October 2023, China and Japan informed the DSB that they had agreed that the reasonable period of time for China to implement the recommendations and rulings of the DSB shall be 9 months and 10 days from the date of adoption of the panel report. Accordingly, the reasonable period of time expires on 8 May 2024.

On 9 November 2023, the Ministry of Commerce of China published a notice (Notice (2023) No. 46) and launched re-investigation on the stainless steel products. On 8 May 2024, the Ministry of Commerce of China published a notice (Notice (2024) No. 19) and announced the determination of the re-investigation on stainless steel products.

Through the re-investigation mentioned above, China has fully implemented the DSB recommendations and rulings in the dispute.
