TUBULAR GOODS FROM ARGENTINA**

COMMUNICATION FROM THE PANEL

The following communication, dated 16 February 2026, was received from the Chair of the Panel with the request that it be circulated to the Dispute Settlement Body (DSB).

In communications dated 25 August 2025, 14 October 2025, and 14 January 2026 (WT/DS617/6, WT/DS617/7, and WT/DS617/8), the Panel informed the DSB that, upon joint requests from Argentina and the United States, it had granted postponements of the circulation of the final report in *United States – Anti-Dumping Measure on Oil Country Tubular Goods from Argentina*, the most recent postponement being until 16 February 2026.

On 12 February 2026, Argentina and the United States jointly informed the Panel that they remained engaged in discussions with respect to the resolution of this dispute. In that context, they requested that the Panel further postpone the circulation of the final report until 1 April 2026.

The circulation of the final report has therefore been postponed until 1 April 2026.

I would be grateful if you would circulate this letter to the DSB.
